County B&B operator wins green award

EILEEN Murphy (see our picture above), operator of The Orchard Bed and

Breakfast at the Limerick Road, Newcastle West, has been recognised for her efforts in reducing her firm's environmental footprint.

She joins seven other bed and breakfast operators from Clare and North Tipperary, who have successfully reduced their footprint, thanks to a unique EU

programme.

The **Green Hospitality** Eco-level certification programme, is managed by Shannon Development, and supported by the EU Cantata2 project.

The programme helps B&B owners to promote their product in an environmentally friendly manner.
