

ATLAS BOX & CRATING CO. IRE LTD. EMBRACE INNOVATION

From concept to delivery, Atlas Box & Crating Co. Ireland Ltd manages Customer packaging needs from start to finish. First started in 2003, Atlas Box has grown to serve both domestic and European markets through a network of strategic partnerships set up in UK, Holland, Turkey, China and Poland. Located just outside Cork city, its 91,000 square foot manufacturing and distribution centre ensures Customer packaging is always available when Clients need it. No order is too big or too small.

Products and Services offered include: Free con-

sultation, packaging assessments & sampling, packaging design & testing, corrugated boxes & inserts, PE/PU foam assemblies, Airpaq cushion packaging, Heat-treated timber/plywood crates & pallets, foam-cushioned pallets, on/off-site crating, kitting, inventory management.

All services meet ISO9001, ISPM15 and ISTA standards.

Industries Atlas Box serve include: Pharmaceutical/ Medical device, Electronics, Automotive, Engineering, Transport, Retailers, etc.

Atlas Box is fully committed to embracing innovation in all its processes. Having incorporated 5-S/

Lean Manufacturing into everyday procedures, Atlas Box has managed to remain competitive in the current market, always responding to changes as they happen.

Atlas Box continues to grow responsibly by sourcing sustainable materials where possible including FSC-certified corrugated board and heat-treated timber, bamboo, Fibre/core and Enviro-Ply.

Through the ISO14001 programme that Atlas Box implement, the Atlas team actively conserve resources, energy, water and waste (as featured on the website GreenBusiness.ie).
