

WEDDING FAIR

Clare suite of wedding packages and bridal fair

ONE of Ireland's best known and established hotels is celebrating 30 years as a wedding venue by offering its most comprehensive ever suite of wedding packages.

The Armada in Spanish Point has launched its new 2014/'15 Wedding Packages and all details will be available to future brides and grooms who visit The Clare County Bridal Exhibition (1pm-5.30pm, on Sunday February 2) hosted there. This will feature the West Clare Food Hall, fashion shows, wedding exhibitors and entertainment throughout the day.

Six new packages such as 'Elegance by the Sea' and 'West Clare Hooley' take account of the hotel's rich history and ocean side location.

The Armada's lengthy track record as one of the country's

leading wedding venues and as a high quality accommodation provider is reflected in its recent awards. These include 'Overall Munster Venue of the Year' in the Weddings Online Awards 2013, a Platinum Award in the Green Hospitality Awards 2013 and its status as a 'Guaranteed Irish Hotel'.

"Most brides and grooms are very relaxed when they have their wedding with us, partly because all the worries of a wedding are taken care of by our weddings team, and also because they often switch into 'holiday mode' as soon as they arrive," said Frank Minogue, general manager of the Armada.
